

FESTIVAL VOLUNTEERING WITH The Real Birth Company

We are going to Lakefest and Carfest this year and providing our fantastic Mothers & Parents Rest Tent. Did you see us last year? We set up a bell tent with comfy chairs, fans and blankets (depending on the weather of course) to offer a safe, comforting area in the middle of a busy festival, always with a midwife on site!

A place to take a break and a spot to put their feet up

We welcome mums-to-be needing a break and a spot to put their feet up. We welcome parents that need a calm, relaxing environment to feed as it may be too busy in the festival for baby to concentrate with flashing lights and loud music. We welcome those who might have some questions about their pregnancy, and we welcome anyone that wants to chat about anything to do with mums, dads and babies.

We love attending these events and enjoy them even more when we have lovely volunteers, like you! The people that come and visit our tent are so lovely and really appreciate what we provide, the feedback is so rewarding! Come and join us to help others and have a fun-filled heart-warming weekend!

This is a great way to meet new people and try something new!

Can't wait to see you there!

Festival Information

WHAT YOU NEED TO KNOW

Prior to your arrival, a rota will be created with everyone's agreed hours. We will rotate throughout each day to give breaks; the more volunteers we have the more free time and rotations will be available.

You will be given free entry to the festival and a camping pitch with us, as well as a t-shirt to wear and keep!

We will provide you with breakfast (egg or bacon rolls) and dinner (like a chilli) as well as snacks and soft drinks. Please feel free to use our gas stoves for cooking if you would prefer to cook your own meals.

If you would like to volunteer with us we ask that you kindly pay a deposit of £50.00 via BACS to secure your place. This will cover your t-shirt and food and ensure to us you are going to attend. At the end of the festival, you will receive your deposit back.
